Enclosed, in support of Applicants' assertion that this Certificate of Correction should be issued expeditiously, are copies of the original specification showing that the correct structures were shown in the specification as filed, and a copy of the amendment filed June 23, 1999 showing the correct structures in the claims. Also attached is U.S. Patent No. 5,855,940, the parent application, which correctly printed the above chemical structures.

Applicants submit that the above changes would not constitute new matter, and correction thereof would not require reexamination. Pursuant to 37 C.F.R. §1.322, Applicants request that the enclosed Certificate of Correction be approved.

Although Applicants believe that no fee is required for this Request, the Commissioner is hereby authorized to charge any additional fees which may be required for this Request to Deposit Account No. 19-0741.

Respectfully submitted,
